

# UNITY4GAZA

is a collective initiative that started in Brussels.

We share **one fundraising every week**  
to provide financial support to:

- Palestinian refugees (in Belgium)
- Families in Palestine

**The objective is to join our forces,**  
with each of us making a **small donation** from  
**5€ to 10 €** per week, according to our means.

**Together,** we can provide  
**significant help to these families.**
